

## BABYLON THE SYSTEM

I am *herein*, **more** than strongly implying that the present system is a part of Babylon. I am declaring it to be so, on the authority of the claims of the King James Bible.

I am not saying that the Ekklesia is in the system of Babylon. I am saying the Babylon encompasses the Church/State system; and that all denominations are compliant, co-operating with, and subordinate to the present terrorist governments in Australia, New Zealand and the U.S.A..

Babylon's religion is based on sun-worship. Beginning with Nimrod, Semiramus and Tammuz. We find the names of the sun-gods in every part of the system we are seeking asylum from. The names of oceans, boats, cars, motorbikes, motels, businesses, towns, are dedicated to the sun in one form or another.

If we go for a stroll down any main street we will see images of the sun, its rays, fire, or the use of names of the sun god. "Sunwise" bread, "Sunnycrust" bread, "Sunburst" drinks, "Hercules" planes, Kawasaki "Vulcan" motorbikes, "Sunset" inns, rising sun logos on advertising artwork, Ford "Mercury" and holden "Gemini" motorcars, "Chaos" in television's Get Smart, "Proserpine" in Queensland, "Jupiter's" Casino, Golden Fleece, Shell, Neptune in service stations, the Ferris Wheel in entertainment machinery, Madonna, in Rock Music, etc., etc. We don't have to look very far to see Babylon's gods being exalted whilst Yhwh's commandments are belittled, ignored, or made of no effect.

Notice the four sun rays on QUEENSLAND GOVERNMENT road signs. This is the State's religion since the Roman Catholic Jesuits infiltrated politics introducing Roman Laws. I understand that three of these rays represent the trinity god of catholicism, and the fourth ray represents the present government's role as a god, since the final act of infidelity of joining the Church and the State in Canberra became complete.

In Seventh Day Adventism, a Roman Catholic Jesuit named Samuel Bachiocci presented a medallion to the Pope from the SDA church symbolizing to the Pope, that the SDA church was now also fully under Catholic infiltrated control.

In U.S.A., the Pope landed and alighted from his aeroplane and kissed the American soil, as a symbolic gesture that he was now the leader and authority in America. This was a defiant act that went against America's Declaration of Independence, which declared America, a "land of the brave and a land of the free, **a land without a pope** and a land without a king"

The churches and the state are in bed together and this unholy alliance will not be separated until the actual coming of Yehowshua.

The word, "worship" found in **Revelation 13** in Strong's is No.4352; it means to kiss, like a dog, licking his master's hand.

**"Whoever we are giving our allegiance to, is whom we are worshipping."** (This is the paraphrase of a Martin Luther statement.)

Yhwh has laws, the State has different laws, shall we keep both, even though we know they are opposing principles? (A.T. Jones has a booklet called "Opposing Principles" which explains this truth very well.)

Can we say we are truly worshipping Yhwh whilst we are compromising with the State? Such was the mistake of the Christians in Constantine's day.

If there was nothing wrong with obeying the opposing laws of Caesar, Daniel and his three friends would not have experienced the lion's den, the fire of Nebuchadnezzar; no martyr would have died, and John Fox would not have had to write his book; Jeremiah would not have been imprisoned; John

Baptist would not have lost his head; Peter would not have gone into prison; Paul wouldn't have suffered his fate, John Revelator would not have died in exile on Patmos, and Yehowshua would not have been put to death, and we would all have an excuse for sin when obeying the State.

Worship is where we place our allegiance. We either worship/honour Yhwh and Yehowshua, or we honour/worship or give allegiance to the State. To do both is a compromise we will regret till the day of our eternal punishment.

We definitely won't hear the churches declaring the truth that, their unholy alliance with the State, is what is constituting Babylon, because they have sold out to the state; they are dumb dogs that won't bark, they preach smooth things to their audiences to PERSONS who have itching ears and are lulled to sleep with the messages of peace. However the Bible paints the opposite picture. We are in a crisis now, the laws being brought in under the guise of Terrorist Laws, are simply a replay of the time of Papal persecution, and we are now "looking down the barrel of a gun", as Johnny Farnham sings.

**Maritime law is Commercial law, it is also Statute law, and it is also Roman law.**

Roman law was forced upon the people in a very powerful way in the 2,300 years of Daniel's and Revelation's prophesied, papal persecution, during the time known in history, as the Dark Ages.

John Howard said in a news article about 3 years ago that the politicians were ratifying the statutes of Rome here on Australia. (News Clipping supplied to EOY members upon request)

We are seeing the introduction of the "Time of (Jacob's) Trouble such as has not been seen since there was a nation" with the introduction of laws that are contrary to Yhwh's laws; and especially our duty as outlined in [Deut 4:2](#) and [Ecclesiastes 12:13-14](#).

The mark of the beast is present now. Do we wait until someone in "authority" declares it? The Church won't, neither will the State! Who was it that has ever declared such warnings? Certainly not a respected dignitary!

The pronouncement of the Four angels' messages of Revelation will **not** be given by the churches because they are all, now, divorced from Yehowshua and have now become the bed-partner with the state.

When the church and the state have **ever** been in bed together, there has **always** been persecution for the true believers.

Persecution usually begins when a true believer ignores, or refuses to follow a state directive which opposes Yhwh's ways. It is standing for the truth that brings on persecution.

The State's wife, the Church, will remain silent now that she is divorced from her rightful husband, and there is no word of defence, for the persecuted, from her mouth any more.

Read the booklet by A.T. Jones called Individuality in Religion, on this website.

Consider every martyr in John Fox's book; consider Daniel, Shadrach, Meshach, Abednego, Jeremiah, John Baptist, Peter, Paul, John the Revelator or Yehowshua. Would we say they brought persecution upon themselves prematurely?

All things happen in YHWH's timing, and all things work together for good to those who love YHWH. We look to the present, instead of looking to the future where our reward is forthcoming. This life is like a mist, **if we are not prepared to live for the truth of the gospel, there is no way we shall be prepared to die for it if called to do so.**

It is the betrayal of the smaller truths that weakens us when the bigger trials appear, and we are now being called to stand on the shore of truth just before the swelling of the Jordan.

Jeremiah 12:5 If thou hast run with the footmen, and they have wearied thee, then how canst thou contend with horses? and if in the land of peace, wherein thou trustedst, they wearied thee, then how wilt thou do in the swelling of Jordan?

If we are not willing to stand up against the workers of iniquity now, when the anti-messiah is just introducing its laws that **seem** harmless enough, (that is until we are brought into their synagogues/courts for having ignored one of them), how will we stand up against the laws that contain the death decree for breaching them in order to honour YHWH?

Pilate was unable to truly wash his hands of the blood of Yehowshua by a simple ceremony. The State was then connected to the Church, and there was no way out except to declare the Messiah innocent and set Him free. We all know he did not do this, he had by gradualism weakened his character and was well known for his two faced vacillations.

The blood of the wicked will be on our hands if we do not stand up against the workers of iniquity, or if we say or do nothing in the looming crisis.

Ezekiel 3:18 When I say unto the wicked, Thou shalt surely die; and thou givest him not warning, nor speakest to warn the wicked from his wicked way, to save his life; the same wicked man shall die in his iniquity; but his blood will I require at thine hand.

Ezekiel 33:6-8 But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand. So thou, O son of man, I have set thee a watchman unto the house of Israel; therefore thou shalt hear the word at my mouth, and warn them from me. When I say unto the wicked, O wicked man, thou shalt surely die; if thou dost not speak to warn the wicked from his way, that wicked man shall die in his iniquity; but his blood will I require at thine hand.

The Sunday laws are already here. This is where SDA's fail to recognize their own history. The National Sunday Law is already here and has been since the early part of the 1900's. Today, they are known as "Blue Laws" only because they are not presently being enforced. Examples of the remnant enforcements of some of these blue laws are;- the illegality of writing cheques on Sunday, discharging a firearm on a Sunday etc.

They closed down the Marlow theatre in America for opening on a Sunday, and A.T. Jones went to their defence.

Working on Sunday found many SDA's in gaol, in stocks, in ball and chains in Sydney in the 1920's. The situation got so bad the SDA church considered bringing A.T. Jones over here to defend them in court; as he was a legal defender who clearly understood and presented the separation of Church and State.

The SDA's forget that the Sunday laws are already in place, and only await the "right moment" to enforce them. The Mark of the Beast is not only the National Sunday Law, it is about all the Ten Commandments. It is about **Deut. 4:2**.

There would be no point standing in defence of the fourth commandment if we have not been willing to stand in defence of the other three before it, when we, or others break one of them too.

Compromises with any of the 10 commandments weakens our ability to stand in defence of the others.

Accepting, or remaining neutral to the opposing laws of the State, only weakens our ability to make a stand for the bigger trials just before us as the Mark of the Beast will be right there in our faces, and we will see that we have been gradually accepting it, in the little compromises, we have already made.

Luke 16:10-17 He that is faithful in that which is least is faithful also in much: and he that is unjust in the least is unjust also in much. If therefore ye have not been faithful in the unrighteous mammon, who will commit to your trust the true riches? And if ye have not been faithful in that which is another man's, who shall give you that which is your own? No servant can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon. And the Pharisees also, who were covetous, heard all these things: and they derided him. And he said unto them, Ye are they which justify yourselves before men; but God knoweth your hearts: for that which is highly esteemed among men is abomination in the sight of God. The law and the prophets were until John: since that time the kingdom of God is preached, and every man presseth into it. And it is easier for heaven and earth to pass, than one tittle of the law to fail.

There is a clear separation line drawn between the true believer and those who choose to remain in CAESAR'S jurisdiction in the area of membership, servitude and by whose laws we shall obey.

2 Corinthians 6:16-18 And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in them; and I will be their God, and they shall be my people. Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you, And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty.

Revelation 18:1-4 And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory. And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird. For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies. And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.

We are living amongst a rebellious PEOPLE, we can not avoid this, and CAESAR's system sometimes has a monopoly on a product or service that we would sometimes find beneficial in the service of Yhwh, or for just a simple convenient source of supply. So is it wrong to enter commerce with them? Should we accept a service and then refuse to pay them because their money is funny or alien to us, after receiving that service or product?

If we are to remain an honourable people then we ought to pay for what we receive. In today's world can anyone pay anything?

Is there any evidence that the funny money we are trading with, actually pays for anything? Does not add to the debt.

Is the \$ note a Bill of Exchange (B.O.E.), or just a promise to pay; so that if/when money of substance returns in common circulation, past debts can be extinguished?

Therefore does it not stand to reason that if THEIR laws say a B.O.E. is legal tender to 'discharge' (not extinguish) a debt, then anyone's B.O.E. ought to be able to do it & if the system issues us with a B.O.E. then how can they reject acceptance of their own forms of any B.O.E.?

A precedence was recorded in Numbers 20:17-20 Let us pass, I pray thee, through thy country: we will not pass through the fields, or through the vineyards, neither will we drink of the water of the wells: we will go by the king's high way, we will not turn to the right hand nor to the left, until we have passed thy borders. And Edom said unto him, Thou shalt not pass by me, lest I come out against thee with the sword. And the children of Israel said unto him, We will go by the high way: and if I and my cattle drink of thy water, then I will pay for it: I will only, without doing any thing else, go through on my feet. And he said, Thou shalt not go through. And Edom came out against him with much people, and with a strong hand.

The Israelites offered Edom payment for any products used when journeying through the land, but Edom refused the commercial offer in this instance. Remembering of course it was money of substance.

Another precedence was recorded in [Nehemiah 13:15-22](#) In those days saw I in Judah some treading wine presses on the sabbath, and bringing in sheaves, and lading asses; as also wine, grapes, and figs, and all manner of burdens, which they brought into Jerusalem on the sabbath day: and I testified against them in the day wherein they sold victuals. There dwelt men of Tyre also therein, which brought fish, and all manner of ware, and sold on the sabbath unto the children of Judah, and in Jerusalem. Then I contended with the nobles of Judah, and said unto them, What evil thing is this that ye do, and profane the sabbath day? Did not your fathers thus, and did not our God bring all this evil upon us, and upon this city? yet ye bring more wrath upon Israel by profaning the sabbath. And it came to pass, that when the gates of Jerusalem began to be dark before the sabbath, I commanded that the gates should be shut, and charged that they should not be opened till after the sabbath: and some of my servants set I at the gates, that there should no burden be brought in on the sabbath day. So the merchants and sellers of all kind of ware lodged without Jerusalem once or twice. Then I testified against them, and said unto them, Why lodge ye about the wall? if ye do so again, I will lay hands on you. From that time forth came they no more on the sabbath. And I commanded the Levites that they should cleanse themselves, and that they should come and keep the gates, to sanctify the sabbath day. Remember me, O my God, concerning this also, and spare me according to the greatness of thy mercy.

Produce from the unbelievers was acceptably purchased upon the six working days, but YHWH's people were not to avail themselves, nor encourage the merchants on the Sabbath day.

Yehowshua prayed to His Father for the true believers and apostles in [John 17:8-17](#) For I have given unto them the words which thou gavest me; and they have received them, and have known surely that I came out from thee, and they have believed that thou didst send me. I pray for them: I pray not for the world, but for them which thou hast given me; for they are thine. And all mine are thine, and thine are mine; and I am glorified in them. And now I am no more in the world, but these are in the world, and I come to thee. Holy Father, keep through thine own name those whom thou hast given me, that they may be one, as we are. While I was with them in the world, I kept them in thy name: those that thou gavest me I have kept, and none of them is lost, but the son of perdition; that the scripture might be fulfilled. And now come I to thee; and these things I speak in the world, that they might have my joy fulfilled in themselves. I have given them thy word; and the world hath hated them, because they are not of the world, even as I am not of the world. I pray not that thou shouldest take them out of the world, but that thou shouldest keep them from the evil. They are not of the world, even as I am not of the world. Sanctify them through thy truth: thy word is truth.

Where do we, as Ambassadors for the Kingdom of Heaven draw lines with our involvement in commerce with the state, or public corporations?

Have we been not been given wisdom, commission, commandment, or encouragement on where to draw this line?

Certainly, we are not to support criminal activities against Yhwh with Caesar's debt instruments, this is scriptural.

[1 Timothy 5:22](#) Lay hands suddenly on no man, **neither be partaker of other men's sins: keep thyself pure.**

Has He not already drawn the line for us; and must we not, as subjects and ambassadors of the Kingdom of Heaven determine, or choose, which side of this line we shall stand ?

Are we, as ambassadors for the Kingdom of Heaven, been commissioned to make or force others, who are subjects of the state, and especially corporations, to stand on one side of the line or the other ? No, it is not our commission, we are simply commanded to warn them (with the scriptures) of their position, and the consequences as outlined already in the scriptures, that they may be without excuse in the day of their judgement.

Is not the rest up to YHWH?

We can only show them why we are standing where we are, and set an example as did Yehowshua.

We must remember that a state's debt instrument is promoting **their** debt. It is the debt of the state and the debt of the subjects of the state. But we are not **of** the state, or are we **of** Caesar. If Caesar's currency is all Caesar will accept for Caesar's services that we may sometimes voluntarily solicit; then who are we to refuse to render unto Caesar the debt instrument which is Caesar's, for those services? Other than this, we ought to be walking as honourable as we can under any given circumstances.

Can we help it if the system is making it nigh impossible to walk a more honourable way than we are otherwise doing?

They demand debt instruments, they are responsible for their own national debt. They have other alternatives, and can change it any time. Yes, the issue is, "Are they trying to prevent us from walking a more honourable walk by preventing access to money of substance or even other instruments that help to zero the account and reduce debt?" We can just render to them what is theirs.

If we could do it another way, I am sure we will, but this will not ever satisfy them because they *wish* to be in debt.

If one were a non believer and wanted to buy a bob cat from a believer, and the believer knew the unbeliever was already in debt with financing a tip truck; should the believer refuse him the bobcat because it will increase his debt? Is not a non-believer's debt, his own business? So it is with the state and its subjects, but we are not of this world and we are to keep ourselves from being spotted with the things of this world. The Bible discourages debt, but we can not keep the whole world, or even the state from going into debt. We are not of the state or of the world.

We are enemies of the state, not because we are adding to their national debt by using their debt instruments, but by virtue of accepting the Kingdom of Heaven, and Yehowshua as our Governor, Saviour, Redeemer. The state of AUSTRALIA, along with other Christian Gentile Nations, is the enemy of Yhwh, by virtue of publicly divorcing herself from YHWH in 1967.

See [Luke 21:24](#) And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, **until the times of the Gentiles be fulfilled.**

This prophecy found its culmination in the 7 day war in 1967. The Gentile nations of America and Australia and etc.chose back then to separate from YHWH.

Take Australia, for example, they banned the singing of God Save the Queen, they banned public prayer in their schools, they encouraged the Theory of Evolution in their schools. Following the 7 day war, we read some of the World News headlines in newspapers which said that in America, President Reagan was being ruled by the stars. (Not Yhwh's laws). Laws were being changed; homosexuality was no longer a crime, divorce was now accepted, the feminist movement now gained momentum, the unity of church and state was being recognized and introduced into politics etc. etc. In Australia, newspapers read, "God and Queen banned in public schools"

A number of years after 1967, an American Rock group known as the Eagles sang a song about the first synagogue of Satan; that song is still a favourite with many people, it was titled "Hotel California", and was about Head Satanist, Anton Levaye who set up the first synagogue of Satan in California in 1969. This satanic ode to the new head of state- Lucifer, his satanic majesty, is sung in every gentile country in the world. This act, Levaye was not legally able to do, until America divorced herself from Yhwh. This song would not have been written or sung if the 1969 synagogue had not been set up, and the synagogue would not have been able to legally set up in a Bible believing Nation unless the nation had divorced herself from her Husband, Yehowshua.

America's gentile "watchdogs" had refused to bark and national apostasy and its divorce from YHWH was now complete

**Isaiah 56:10-12 His watchmen are blind: they are all ignorant, they are all dumb dogs, they cannot bark; sleeping, lying down, loving to slumber. Yea, they are greedy dogs which can never have enough, and they are shepherds that cannot understand: they all look to their own way, every one for**

his gain, from his quarter. Come ye, say they, I will fetch wine, and we will fill ourselves with strong drink; and to morrow shall be as this day, and much more abundant.

The sheeple will accept creeping compromises and creeping violations to their "freedoms" because they *are* of this world, but we are not.

Our parents and forbearers who did not make the stand when corruption was in its infancy, have made it much harder to reverse today.

National apostasy ends in National ruin.

State legislation is, in the most, by virtue of adding and taking away from the written scriptures, a public enemy of Yhwh.

So, what are the alternatives? That is what EKKlessia of Yhwh is also about, finding the alternatives and sharing our findings.
